

Summit Beach Resort Remote Instructions

Press the Power button to turn the TV on and off. This will bring up a menu screen with available streaming service options. These include:

- SFNTV
- Netflix (Requires login)
- Disney Plus (Require login)
- Hulu (Require login)
- Etc.

SFNTV:

1. Select the blue SFN TV Now icon to get to the channel selections.
2. On the left side of the screen you will see a menu including
 - a. Full Screen – this takes the current channel and presents it in the largest available picture format. The menus will disappear, but you can get back to them by hitting the back button (The left arrow button at the top of the remote, next to the Home button)
 - b. Channels list – This will show available channels. Use the Arrow buttons to scroll. As you scroll down the channel list, the current program information for that channel will appear. Use the O.K. button in the center of the arrows to select a channel.
 - c. Guide – This will show the same channels as the Channels list and include information about upcoming shows on that channel. Use the O.K. button in the center of the arrows to select a channel.
 - d. Channel Recall/Jump Back: If you're watching TV programs via the antenna/cable (no box) connection, this will take you back to the previous channel. If you're viewing streaming content, you'll go back one position. If you're in search and are entering search terms, it will take you back one letter.
 - e. View More Options: (The button with an asterisk on it) This button takes you directly to a more detailed video and audio settings menu.

Home Button:

When Using any of the above app options, pressing the home button will bring you back to the main screen to select a new app options

Volume Control:

Volume control buttons are located on the right side of the remote. This includes the mute button as well as increasing and decreasing volume of the TV.
